Special Call for Research Papers and Posters

The 2012 Canadian Association for Music Therapy Conference Committee is pleased to announce that we will be offering a full day Research Symposium at this year's annual conference. This Symposium is open to all conference registrants and will feature experienced music therapy researchers as well as graduate and doctoral students. Faculty are encouraged to support students to participate. The format will include a keynote speaker, presentation of posters and papers, and round table discussions.

Posters presented at the Research Symposium will be on display during all 3 days of the CAMT conference (May 3-5) and also during the *Gender, Health, and Creative Arts Therapies* Conference (May 5-6), which is being held conjointly. Proceedings of the Symposium will be published and made available online.

Call for papers/posters

If you are interested in having your research paper and/or poster considered for this Symposium, please submit (via e-mail) a 200-word abstract along with the title of your paper/poster, as well as your name, credentials, short bio (35 words), audiovisual/equipment requests, and photo to Laurel Young (see e-mail below). All methodologies are welcome and research projects may be completed or in progress. We will also accept proposals for academic papers on music therapy research related topics.

The deadline for submissions is **December 1, 2011**. Submissions will be accepted in either English or French.

Please email submissions or questions to: laurel.young@concordia.ca Presenters will be notified in March as to the status of the proposal. If no word has been received by April 1st, please contact Laurel Young.
